ON SITE EMPLOYEE FLU SHOTS

With flu season approaching, Occupational Wellness is giving companies an opportunity to take a proactive approach to flu prevention. Medical staff will come to your facility to administer flu shots to your employees.

The Benefits:

- Fewer Doctor Visits
- Fewer Sick Days
- Increased Productivity
- Affordable

**Reduce
Sick Days by
50%**

Occupational Wellness provides all the materials needed to internally promote your upcoming flu clinic. Flyers, articles for company newsletters, and other flu-related information are designed to make your company flu clinic a success.

2009-2010 vaccinations are limited, so contact Occupational Wellness to schedule your clinic today! Complete the simple form below and fax it back to us. A Wellness representative will contact you within during the next business day.
